A# 14-0526 CDL # E3965962 CII A26610056
Charge: 288(a) P.C. / 314 P.C.

SOURCE OF ACTIVITY:

On Tuesday, May 27, 2014, my partner (Office Trujillo #136) and I (Officer Ramirez Trujillo #139) were working as contracted, uniformed security officers for the Hollywood Business Improvement District (H.B.I.D.) / Andrews International 6801 Hollywood Boulevard Hollywood, CA. 90028 (323) 465-0122. We were assigned to the bicycle team as B-6.

INVESTIGATION/ARREST:

At approximately 1125 hours, B.I.D. Officer Sterling and Sergeant Patton (E30 / FB1A) responded to 1780 Gower Street in reference to a radio call of a M/H with "his hands on his private parts" while in the presence of children. A few minutes later, my partner and I heard the radio transmission from Sergeant Patton that the M/H had ran from them. As the suspect fled from them, a general physical and clothing description was broadcasted by Sergeant Patton.

My partner and I responded to the area to assist with the search of the suspect. As we were pedaling our bikes N/B on El Centro Avenue from Selma Street, the suspect's direction of travel was broadcasted as running W/B on Hollywood Boulevard to S/B El Centro. As we were pedaling N/B, we saw the suspect matching the general physical/clothing description running in full sprint S/B on El Centro toward our direction.

As the M/H (later identified as Ayala, Christian) looked in our direction, he sharply cut across the street and entered the east/west alley to Sunshine Parking 1634 Argyle Street.

As Ayala was running, we pedaled our bikes alongside of him telling him to stop. Ayala kept looking in our direction and appeared to be "smiling"... As we neared the middle of the Alley, my partner (Officer Trujillo) pedaled past Ayala and he immediately slowed down and attempted to go around him and cut across into the public parking lot.

I pedaled toward him and he looked in my direction, as he did, my partner was able to grab Ayala's T-shirt. Ayala was able to break away from Trujillo's grasp and attempted to go around him. Ayala was unable to do so because there was a small roll away dumpster blocking his path. The dumpster was next to a 5-foot cinder block wall that ran along the north side of the alley.

I dismounted my bike alongside Ayala and he tripped over the rear wheel of my bicycle. As he lost his balance, he fell to his hands and knees on the dirt/grassy area adjacent to the cinder block wall.

In order to prevent his escape, I grabbed Ayala's lower legs preventing him from standing up and running away. Officer Trujillo came to my aid and we were able to detain him pending additional units to arrive. Ayala kept resisting by thrashing about on the ground and attempting to get up. Officer's Anderson and Nam arrived at our location and we were able to secure his hands and handcuff him without injuring him.

Ayala was detained pending the arrival of Sergeant Sterling and Officer Sterling. Upon their arrival, they identified Ayala as being the same suspect that had ran from them. Sergeant McCall arrived at the scene and was informed of the arrest. Ayala was subsequently transported back to the First Presbyterian Church and awaited for the response from L.A.P.D.

(For further details surrounding the crime, refer to Sergeant Patton's report).
